

Philesa Chandler Dressage

Motivation As High Art

Equestrian Outreach in partnership with Philesa Chandler Dressage, Inc - Presents:

Philesa Chandler Dances With Horses

Equestrian Outreach, an organization dedicated to the promotion of safe and informed equestrianism. At Equestrian Outreach, we are helping horses to help humans. We have marked our progress one student and one web page at a time. For the first time since Equestrian Outreach was started we have an opportunity to do something truly wonderful and touch more lives than ever before. Equestrian Outreach is proud to introduce to our community, a story teller, a horse dancer and a truly motivated role model for our children; Philesa Chandler.

For almost one year we have been working to bring Philesa Chandler to our Lake Helen Equestrian Arena. Philesa is an internationally known rising Dressage star, protégée to Robert Dover and U.S. Olympic Dressage hopeful. She is bringing with her a mixed bag of gifts, a wonderful ability to tell her inspiring story and her considerable riding skills to introduce our Central Florida Kids to the exhilarating dance/ballet between humans and horses

Philesa Chandler is as close to a perfect role model as I have ever met. She is the real thing; she is using her own money to fly her and her role model, her grandmother from Wichita, Kansas, to Central Florida for the weekend of the 22 of October. Why? So she can speak to little kids and to tell them what life choices an unlikely person from Tampa has made to become a successful Olympic dressage hopeful, while dancing with horses for them. This is a timely message for every one of all ages in such trying and uncertain times.

We also wish to thank Jean Thornton at Equivale for the use of her champion Grand Prix purebred Lipizzan stallion Conversano II Aloha II, with over 28 USDF National Championships through Grand Prix, he is truly the perfect horse for Philesa to use.
